

Council of University Presidents of Thailand (CUPT) Visit

November 9th, 2023

Morning Session

Husky Union Building
Room HUB 214
Room Capacity: 80

8:00 AM **Arrival and Registration**
Coffee and light breakfast

8:30 AM **Welcome address**

Gayle Christensen, PhD | [Bio](#)

UW Interim Vice Provost for Global Affairs

Sara Curran, PhD | [Bio](#)

UW Associate Vice Provost for Research in the Office of Research

8:45 AM **Introduction of CUPT and its mission**

Pongrak Sribanditmongkol, MD, PhD | [Bio](#)

President, Chiang Mai University

Chairperson, Council of University Presidents of Thailand

Prominent education, research, and innovation endeavors of Thai universities

Worakanya Buranaphatthana, DDS, PhD

Assistant to President, Chiang Mai University

9:15 AM **Presentation by UW delegation**

9:15 AM **Introduction**

Gayle Christensen, PhD | [Bio](#)

UW Interim Vice Provost for Global Affairs

9:25 AM **Multi-National Collaborative Program to Combat Transnational Environmental Crime**

Samuel K Wasser, PhD | [Bio](#)

UW Center for Environmental Forensic Science

9:35AM **Healthy Human, Health Planet – UW Population Health Initiative**

Ali H Mokdad, PhD | [Bio](#)

UW Institutes of Health Metrics and Evaluation

9:45AM **UW-Thailand Dx Circle – A framework for sustainable bi-directional research collaboration through local capacity building in Thailand**

Nuttada Panpradist, PhD | [Bio](#)

UW Global Center for Women, Adolescents, and Children

Chiang Mai University | Kasetsart University | Khonkaen University

- 9:55AM **Computing for the developing world, Health information, and Education Technology**
Richard Anderson, PhD | [Bio](#)
UW Paul G Allen School of Computer Science
- 10:05AM **Air pollution, respiratory disease, and biomarker discovery (collaboration with Mahidol University)**
Ashleigh Theberge, PhD | [Bio](#)
UW Chemistry
- 10:15 AM **Q&A**

10:25 AM Short break

- 10:30 AM Brainstorm session on opportunities for collaborations: Moderated by the UW Office of Global Affairs team**
- MOU UW – CUPT
 - Matching fund mechanisms
 - Collaborative areas of research

11:15 AM Networking break
(Brief meeting w/ Dr. Sribanditmongkol, Dr. Pathumnakul, Dr. Curran, Dr. Wasser, & Dr. Panpradist, re: Possible collaboration around forensic science)

11:45 AM Thai delegation travel to lunch at Cedar Indian Restaurant (shuttle)

Afternoon Session

CoMotion Lab at Fluke Hall located at 4000 Mason Road Seattle, WA 98195
Room Capacity: 50

- 1:30 PM UW CoMotion Introduction**
Anson Fatland ([Bio](#))
UW Associate Vice Provost for Innovation Strategy and Venture
- 2:00 PM UW CoMotion Facility Tour**
- 2:20 PM Discussion and brainstorm session**
Fiona Wills ([Bio](#))
UW Associate Vice Provost for Innovation Development and Commercialization
- 3:00 PM Thai delegation walk back to the Hub**
- 3:15 PM UW campus walking tour**
- 5:00 PM End of activities**

UW delegation

Gayle Christensen, PhD (gsc6@uw.edu)

UW College of Education
UW Interim Vice Provost for Global Affairs

Sara Curran, PhD (scurran@uw.edu)

UW Jackson School of International Studies
UW Associate Vice Provost for Research in the Office of Research

Cecilia M Giachelli, PhD (ceci@uw.edu)

UW Bioengineering, UW Associate Vice Provost for Research in the Office of Research

Anson Fatland (ansonf2@uw.edu)

UW Associate Vice Provost for Innovation Strategy and Venture

Fiona Wills (fwills@uw.edu)

UW Associate Vice Provost for Innovation Development and Commercialization

Samuel K Wasser, PhD (wassers@uw.edu)

UW Center for Environmental Forensic Science

Ali H Mokdad, PhD (mokdaa@uw.edu)

UW Institutes of Health Metrics and Evaluation

Nuttada Panpradist, PhD (nuttadap@uw.edu)

UW Global Center for Women, Adolescents, and Children
Chiang Mai University | Kasetsart University | Khonkaen University

Richard Anderson, PhD (anderson@cs.washington.edu)

UW Paul G Allen School of Computer Science

Ashleigh Theberge, PhD (abt1@uw.edu)

UW Chemistry, collaboration with Mahidol University

Barry Lutz, PhD (blutz@uw.edu)

UW Bioengineering, collaboration with Chiang Mai University

Pradipsinh K Rathod, PhD (rathod@chem.washington.edu)

UW Bioengineering and Mechanical Engineering, collaboration with Chiang Mai University

Sanitta Thongpang, PhD ([sanitta@uw.edu](mailto:sanita@uw.edu))

UW Chemistry, Mahidol University

Donald Chi, DDS, PhD (dchi@uw.edu)

UW Oral Health Sciences & Health Systems and Population

Susan Coldwell, PhD (scoldwel@uw.edu)

UW Oral Health Sciences, Pediatric Dentistry, Psychology

Ana Lucia Seminario, DDS, PhD (alsadem@uw.edu)

UW Dentistry and Global Health, collaboration with Khonkaen University

Matthew R Parsek, PhD (parsem@uw.edu) - invited

UW Microbiology, collaboration with KMUTT

Margaret Heitkemper, PhD, RN, FAAN (heit@uw.edu) - invited

UW Nursing, collaboration with University of Phayao and KMUTL

Simon Iain Hay, DPhil, DSc, FMedSci (sihay@uw.edu) - invited

UW Global Health, collaboration with Naresuan University

Hans D Ochs, MD (allgau@uw.edu) - invited

UW Pediatrics, collaboration with Chulalongkorn University

Andrew Humber, PhD (ahumbert@uw.edu) - invited

UW Statistics, collaboration with Burapha University

Katrin Gabriele Burkart, PhD (katburk@uw.edu) - invited

UW IHME, collaboration with Walailak University

Ayokunle Olanrewaju, PhD (ayokunle@uw.edu)

UW Bioengineering and Mechanical Engineering

Martha Scatena, PhD (mscatena@uw.edu)

UW Bioengineering and Mechanical Engineering, collaboration with Chiang Mai University
